This activity was conducted to get the attendees come out of their comfort zone.</p> <p>A few of them shared their experiences after the activity on the stage.</p> <p>Followed by this, our very own director Dr. NagrajShenoy sir addressed the gathering and spoke about the importance of public speaking.</p> <p>It was a very informative session.</p> <p>After this we had a Q/A session where he answered the questions posed by</p>

the students.

After this session the coordinators asked the students to express themselves on whatever topic the attendees want to.

This led to a very sensitive group discussion on the topic, "Mental Health". The workshop ended with building of a few core skills in the attendees like self confidence and empathy which are important in a good public speaker.
