ECO CELL-PRAKRUTHI
2019-20

EVENTS CONDUCTED WRITEUP

The internal quality assessment cell of Dayananda Sagar College of Arts, Science and commerce in collaboration with Eco Cell conducted multiple activities for the academic year 2019-20. with BBA, B.com and BCA departments. The primary motive of the cell was to promote eco-friendly approach through Awareness campaigns, Tree plantation drive, Best out of waste to bring out the talent and uniqueness among the general audience, also organizing events like Pick & Speak on Environmentalist which was a way to identify the contributions made by iconic figures to the environment

It was also clubbed with a national level quiz competition, awareness campaign for world environment day and also with health and hygiene awareness program. All these events were conducted through students to enhance their exposure and understand the importance of Quality maintaining of environment.

SL.NO	DATE OF THE EVENT	NAME OF THE EVENT	NO OF STUDENTS BENEFITED
1	14/09/2019	Environmental Awareness program	45
2	30/09/2019	Tree Plantation Drive	70
3	31/01/2020	Best out of waste	50
4	10/03/2020	Pick & Speak on Environmentalist	50

5	05/06/2020	Health & Hygiene Awareness program	48
6	18/06/2020	World Environment Day	60
7	25/06/2020	National Level E Quiz	93

Short answer text

Name of the Institution: *

Short answer text

1. Environment Act passed in the year-*

- 1986
- 1987
- 1988
- 1989

2. Earth Day is Celebrated on -

- 20th Apr
- 21st Apr
- 22 Apr
- None of the above

3. The First Earth Day *

- 1980
- 1970
- 1990
- None of the above

4. The most abundant gas on the earth's atmosphere is *

- nitrogen
- oxygen
- hydrogen
- none of the above

5. Environment day is celebrated on *

- 6th June
- 1st June
- 5th June
- None of the above

6. Cauvery Calling Campaign is initiated by - *

- Sadhguru
- ravishanker
- babaramdev
- none of the above

7. World Wildlife Day is celebrated on *

- 25th January
- 2nd February
- 27th February
- 3rd March

8. Most polluted City - *

- Ghaziabad, India
- Hotan, China
- Gujranwala, Pakistan
- None of the above

9. Highest peak in the world *

- Mount Everest
- K2
- Kanchenjunga
- None of the above

12. The theme for World Environment Day 2020 *

- Save mother Earth
- Nature our Future
- Time for Nature
- None of the above

13. The first World Environment Day was held in which *

- 1970
- 1972
- 1973
- 1974

14. Biotic environment includes *

- producers
- consumers
- decomposers
- All of the above

15. Air is composed of gases, water vapours and- *

- dust particles
- rainfall
- snowfall
- light

16. Air pollution is caused by- *

- Insecticides
- Sewage
- Smoke
- Loud speakers

17. Which one of the following is not biodegradable? *

- vegetables
- fruits
- earthworm
- aluminium

18. Decomposers include- *

- bacteria
- fungi
- bacteria and fungi
- animals

19. Abiotic environment does not include- *

- air
- water
- soil
- plants

20. The main source of water pollution is *

- Sewage Water
- Rain Water
- Atmospheric Pollutants
- Well-Water

*Internal Quality Assurance Cell
Eco Club – Prakruthi*

*Event: Environment Awareness programme
Conducted in school*

Date: 14-09-2019

Under the guidance of *Internal Quality Assurance Cell, EcoClub- Prakruthi* organized an "Environment Awareness Programme in school" on Sep 14th 2019 to spread awareness of various environmental issues in our daily life which were created due to human activities and ban of Plastic and Polythene usage.

The main objective of the event is to enhance knowledge, and to promote the causes affected due to the usage of plastic bags and tiffen boxes in our daily life.

As part of Eco club 45 Students of DSCASC, actively participated in this awareness event. We visited the school named "Sri Annamma Devi Vidya Mandira", 1st Stage BDA Park, Kumaraswamy Layout, Bangalore. around 11 Am.

The school principal named Prof Dhananjay.N Welcomed our students and supported to conduct an awareness event to school students.

Students were assigned to handle individual classes from class I to IX to conduct the activity. The awareness event includes debates, quiz competitions, rhymes,

songs, power point presentations etc; During the event, our students encouraged the winners by giving some gifts. All the kids were energetic, enthusiastic and eager to listen the concepts.

Faculty coordinators guided students to prepare the charts and power point presentations based on the causes affected due to the usage of plastic and polythene. They also concentrated on the importance of aquatic life and tree plantation. The presentations were based on total surroundings of a living organism which provide conditions for development and growth as well as of danger and damage.

At the end of the session our students played some animated videos related to plastic usage and the harmful affects to environment by throwing the plastic bags in rivers.

Kids were very interactive during the session. They gained knowledge to save the nature, not to harm the nature and use only green products. Chocolates and pencils were distributed to kids for their enthusiasm.

At the end Principal Prof. Dhananjay interacted with our students and raised some questionnaires related to their interests in social service and their goals. We had a great and positive response from the school kids, staff and Principal who supported us for the entire programme.

Total Participants: 300

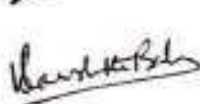

Faculty Participants: 6

Student Participants: 294
