Equal Opportunity Cell- SAMANVAYA

Equal Opportunity cell- SAMANVAYA initiated various programs for the students and faculties of DSCASC for the year 2018-2019. The Equal Opportunity Cell (EOC) is a vital component within educational institutions and organizations dedicated to fostering inclusivity and ensuring equal opportunities for all individuals, regardless of their background, gender, caste, religion, or physical abilities. The primary objective of an Equal Opportunity Cell is to create an environment that promotes diversity, eliminates discrimination, and provides a level playing field for every member of the community. This cell typically works towards addressing issues related to social justice, equality, and diversity in educational and professional settings. It often collaborates with various departments to implement policies and programs that support underrepresented groups, offering them equal access to education, employment, and other opportunities. Through awareness campaigns, workshops, and support mechanisms, Equal Opportunity Cells play a crucial role in building a more inclusive and equitable society. Cell conducted the following events for students and faculties. The cell conducted one of the events as such on Essay competition on Dr Ambedkar's contribution to Indian constitution to educate our students about our constitution and celebrated Dr B R Ambedkar Jayanthi.
