23.	Summary of the Event (Minimum 100 words)	<p>The BBA and B.Com departments hosted an Entrepreneurship Development Programme (EDP) focused on the "Development of Employability Skills" on 20th October 2021. The event aimed to enhance the employability of students by equipping them with essential skills needed to succeed in the job market and in entrepreneurial ventures. The primary objective of the programme was to provide students with practical insights into employability skills, including communication, teamwork, problem-solving, and digital literacy, which are crucial for both employment and entrepreneurship. The session introduced students to the concept of employability skills. Emphasis was placed on communication, teamwork, adaptability, and problem-solving as foundational skills for both employment and entrepreneurship. The students were given the opportunity to interact with the resource person, ask questions, and seek advice on career development and entrepreneurship. The EDP on "Development of Employability Skills" was a successful initiative by the BBA and B.Com departments, providing valuable learning experiences for the students. The event not only enhanced their employability but also inspired them to think entrepreneurially, equipping them with the skills necessary to navigate the complexities of the modern workplace.</p>
