22.	Summary of the Event (Minimum 100 words)	This workshop was conducted for 3 rd semester MBA students and was organised by CIL. Students will learn to use those principles to understand the importance of planning and preparing for a presentation. The planning concepts and methodologies learned on this day will include the 4-Step Presentation Process, setting the presentation objective, how to use storyboarding, and creating a planning checklist. After the planning activity, participants will work on their preparation skills to include prioritizing content, sequencing the message, usage of words and pictures, anticipating audience questions, and creating a preparation checklist. Planning and preparation activities will be included. They will learn how to effectively use voice control, attention grabbers, visual aids, and body language, as well as how to manage time and constructive feedback. Activities for this day will include two practice and presentation revising sessions.
23.	Photographs of the Event (Attached)	Yes
