

A SEMINAR ON LATEST TECHNOLOGY

Date: 4th September, 2018

Speaker : Dr. A Amharbi, Taibah University , Saudi Arabia

Dayananda Sagar College of Arts Science and Commerce conducted a Seminar on 4th September from 1:30 pm to 2:30 pm in the Seminar Hall.

The Seminar went very well. All the students enjoyed the seminar and learned many latest technologies. The lecturer showed some interesting slides about their culture and universities and also their education.

The Seminar was basically conducted for showing the latest technology which are invented in the IT world. He gave brief information about each and every technology. Simultaneously we also got to know about the tradition, way of education in Saudi Arabia. He also showed us the way to how to learn these technology and what demand they stand now. Yes, of course it was helpful for our future because we can learn about the technology and go into different fields of jobs. We would like to thank sir for giving us prestige knowledge about the technologies and we hope to see him again.
