The event held by the Hindi parishad – Vedanta for this academic year 2023 with the First years students, on 10 of July 2023, where we had around 76 students ready to learn and understand the importance of Hindi Language in Media world . The event was over an hour long and began at 11.00 am.

Dr. Chiluka Pusphalata addressed the guest speaker and Dr. Nagaraj shenoy our principal felicitated the guest speaker Dr. Kiran srivasthav , even our B.com department HOD also welcomed the guest by presenting the small token of gratitude.

Talk on Media is the spotlight for all the first year students. The stage was set and it was time for the speaker Dr. Kiran Srivasthav to highlight their perspectives on the Media and impress the audience. One by one, each student had their points set tried their best and indeed a few did steal the audience’s heart and were rewarded with a huge round of applause. From beginning of the day to the end of speakers did express and put forth their views to the students. This event allowed the students to open up and earn the knowledge on various software used in Media. It also helped them to broaden their outlook in a wide range and discover their hidden self and reveal the unknown facts.

The volunteers from B.Com 2nd year and first year had participated in the event and helped to make it a great success. There were total 76 students.
