### LANDSCAPING WITH TREES AND PLANTS

The landscaping of the college is worth seeing and reflects an aesthetic sense. The institute has a canopy of trees and plants to make the environment pollution-free to safeguard the health of all the inmates. The lawns and the trees provide shade and a beautiful ambiance. Utmost care is taken to develop and maintain green landscaping by trained gardeners and supervisors. The construction, maintenance, and beautification committee constituted in the college looks after the development and maintenance of the greenery in the campus.

The institute authorities are taking initiatives to make the campus paperless. Internal communication in the campus, through e-mail or e-messages, is driving toward the paperless office. Electronic gadgets are preferred to transfer and store official data and information. Library and examination sections are equipped with efficient software. The Learning Management System is used for academic activity in the College campus.
