**DISHAA** (Dayananda Sagar Institutions for Societal Health and Adventure Activities) is the institutional social responsibility (ISR) arm associated with the campus. Its primary goal is to establish a platform for students and other members of the college community to engage in philanthropy and advocate for social change. DISHAA involves students from various disciplines in coordinating and participating in endeavours that positively impact society. Its functions encompass organizing in house and beyond campus activities as blood donation camps, vaccination drives, conducting NSS activities, leading the Swachh Bharat Campaign, planting saplings, rallying on National Youth Day, promoting yoga awareness on International Yoga Day, educating underprivileged students, contributing to orphanages, and celebrating a Day of Gratitude. Through these activities and initiatives, DISHAA aims to instil social responsibility, moral values, and ethics in students, fostering a culture of service and involvement. The ultimate objective is to cultivate responsible citizens who actively contribute to the well-being of society.
